

With over 20 years of experience in the ESL industry, Embark Recruiting has partnered with major public, private and international schools to provide them with quality teachers. Our team is honest, hardworking, and determined to help qualified teachers make meaningful matches with schools. As you apply to the jobs below, please let us know your desired locations and working preferences so that we can do our best to consult you accordingly.

My name is Derek, and I am the executive director for Embark Recruiting. Embark Recruiting started in 2003 as a Native English Teacher recruitment agency. We provide information about teaching and working in Korea. I have a lot of experience being on both sides of the recruiting process and understand how difficult it can be. My, and Embark Recruiting's, goal is to make the process as smooth and painless as possible.

At Embark Recruiting we really care about our teachers and always try to look out for their best interests. Please check out [HERE](#) for more information about our relationship with teachers.
